

Bargain Basement Space-Fillers. List No. 1

This list contains Penguins which I was happy to have in my collection while I waited for an upgrade copy. They are mainly copies with several small faults (e.g. marks to covers, foxing, creases, small tears, chipping or wear to spine ends, splits to spine edges, etc.) and/or reprints.

I am not providing lengthy descriptions of condition as they are what they are: acceptable space-fillers. The text will be complete and there will be no ghastly tears to the covers.

They are all priced at £2, with the exception of the King Penguins at the end of the list which are £3. Postage and packing is £4 per order in the UK, so you can order ten books and still only pay £4 P&P.

I will sell these on a first-come, first served basis. So, send me a list of your wants (forbes@lomaxpress.co.uk) and I will raise a PayPal invoice for what is available.
